Office/Workplace Lookbook Volume 1

## ABOUT US

At Furngully, we create inspiring, sustainable office environments that balance function, style, and well-being. From space planning and design to furniture sourcing, installation, and ongoing support, our team delivers seamless workplace solutions tailored to each client's needs. Whether it's private offices, collaborative areas, or reception spaces, we focus on fostering productivity and connection while keeping sustainability at the forefront. Rooted in Boston and serving New England and beyond, Furngully transforms visions into lasting workplace realities.

## Sustainability at the Heart of Every Choice

### At Furngully, sustainability is woven into everything we do.

From the moment you choose your furniture, our Reseat ID tags provide a true end-of-life solution, ensuring each piece can be responsibly reused or recycled. Through our used furniture marketplace and commitment to the circular economy, we help minimize waste and extend the lifecycle of every product — making sustainability not just a choice, but a standard.

### Our Approach to Sustainability

- **Eco-Conscious Materials:** We prioritize sustainable and recycled materials in our designs to reduce waste.
- **Energy-Efficient Solutions:** From lighting to layouts, we create spaces that maximize energy efficiency.
- **Responsible Partnerships:** We work with manufacturers and suppliers who share our commitment to the environment.

For us, sustainability isn't just a box to check—it's a responsibility we embrace to create spaces that are beautiful, functional, and mindful of the future.

# Ready to transform your workplace?

We're here to guide you from concept to completion with thoughtful design, seamless project management, and sustainable solutions tailored to your needs. Connect with us today to schedule a consultation—and let's bring your vision to life.
